

Convenient and Fully Recyclable Packaging for Pound Cakes and Loaves

As a manufacturer of premium bakery products, you need quality packaging. Our thermoformed recycled PET (rPET) hinge-pack trays offer numerous benefits to keep your pound cakes and loaves fresh, appealing, and sustainable.

Available in up to 100% rPET and fully recyclable

Product Preservation and Protection

- **Freshness and Versatile Sealing:** Airtight hinge-packs are resealable keeping pound cakes and loaves fresher for longer.
- **Food Protection:** Safeguard your bakery products during packing, transport, and handling, reducing food waste.
- **High Clarity:** Showcase your delicious cakes and loaves with excellent visibility on the shelf.
- **Safe and Hygienic:** Complies with high safety and hygiene standards.
- **Freezer Safe:** Suitable for freezing down to -18°C.

Customisation and Versatility

- **Flexible Solutions:** Single or multi-cavity options for different product sizes.
- **Variety of Sizes and Colours:** Industry-standard sizes, colours, and depths that fit existing production lines.
- **Customisable Embossing:** Options for recycling instructions or braille.
- **Lightweight Yet Strong:** Reduces transportation carbon footprint.
- **High-Speed De-Nesting:** Ideal for automated production lines.

With proven experience and partnerships with top brands, trust us to deliver packaging that exceeds your expectations.

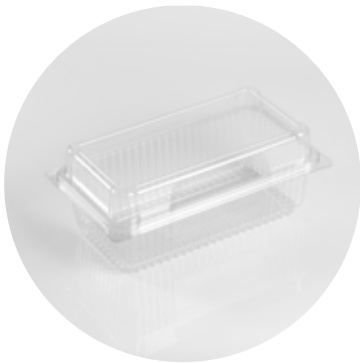

Industry standard sizes to fit existing production lines

Quality, Sustainability, and Compliance

- **BRC AA-Grade Standards:** Ensures high quality and safety.
- **Sustainable:** Made from up to 100% recycled PET.
- **Fully Recyclable Back into Food Grade rPET:** Easily recyclable through kerbside collection, encouraging confident consumer recycling habits.
- **Tax Compliant:** Meets UK Plastic Packaging Tax requirements.

Partner with us for the best packaging solutions for your pound cakes and loaves. Our rPET hingeback trays offer freshness, convenience, sustainability, and recyclability. Contact us today to learn more, or ask about our wider range of bakery packaging products!
